Grant's provides a range of floral services to make every aspect of your wedding dreams come to life; we provide full-service bridal party, ceremony, and reception flowers along with arches and large-scale installations. We would love to create a personalized quote for your wedding flowers that coordinates with your preferred colors, style, and inspirations.

## *Bridal Party Flowers*

The centerpiece of any wedding's florals are the bridal party flowers, which truly help to set the tone and style for the rest of the wedding. Whether you desire something modern or traditional, Grant's can provide the perfect suite of bridal flowers for your wedding ceremony. We offer a range of bridal bouquet styles including smaller posies and nosegays, traditional round shapes, hand-tied garden arrangements, large free-form boho designs, and dramatic cascades.

Use our Wedding Florals Template on the next page to plan the styles of flowers that you would like to include in your wedding ceremony and/or reception. Once complete, please email the template to [info@grantscatering.com](mailto:info@grantscatering.com). Our floral designer will then create a custom floral palette for your wedding flowers along with a pricing guide that is tailored to the style and needs of your wedding. Bridal party flowers can be delivered directly to the location of the ceremony or can also be picked up at your convenience at Grant's Reception Hall in Antwerp, Ohio.

## *Ceremony Flowers, Arches, and Large-Scale Installations*

Allow us to create the perfect backdrop for your wedding ceremony with a beautiful arch floral installation; we are able to provide a range of styles including traditional, floating, and grounded arches, floral pillars, and pergola ensembles. We offer several styles of arches that can be rented as part of your decor package, or we can design for an existing arch at your chosen wedding venue.

Coordinating arrangements for your wedding ceremony can also be provided including altar and urn arrangements, aisle markers, and pew arrangements. Explore our options for these designs using our template on the following page. If your ceremony and reception are at the same venue, please ask our event coordinator about the possibility of utilizing your ceremony flowers as part of your reception decor

## *Reception Flowers and Centerpieces*

Finish your wedding flowers with beautiful centerpieces and venue arrangements for your reception. We offer a wide selection of centerpieces including bud vase arrangements, floral runners, standard vase arrangements, greenery garlands, and many, many other options.
